„Sunseeker Open Days” in Port Adriano, Mallorca from 3 to 5 May 2013

With the Mallorca debut of the new Sunseeker San Remo and the world premiere of the Wiesmann Roadster „Sunseeker Limited Edition“, Sunseeker Mallorca is ready to successfully start the boat season 2013.

From **3 to 5 May 2013** Sunseeker will host again the annual „**Sunseeker Open Days**“ in **Port Adriano**. Customers and friends are cordially invited to view the largest Sunseeker motoryacht fleet (from Portofino 40 to 28 Meter Yacht until Predator 115*) of the Med and get informed about the broad service offers.

Sunseeker Mallorca are delighted to present a large selection of new Sunseeker motoryachts including the new **San Remo**, which will have her Mallorca debut in May 2013, following her world premiere at boot Düsseldorf at the beginning of this year. With an above average specification including automatic hardtop, hydraulic bathing platform and garage this sleek sports cruiser perfectly combines the performance and enjoyment of a family and friends day boat, with the opulence and space for overnights and weekends. Further Sunseeker motoryachts on display include the Manhattan 73 and a selection of top quality pre-owned boats.

The ultimate driving experience can be enjoyed on land as well, with four Wiesmann sports cars prominently displayed in front of the office, offering exclusive test drives to all guests. Special attention will be paid to the world premiere of the **Wiesmann Roadster MF5 & MF4S „Sunseeker Limited Edition“**, two beautifully hand-crafted sports cars featuring a white paint finish, an exclusive Sunseeker interior branding and ultimate 555 hp (MF5) / 420 hp (MF4S). Only ten “Sunseeker Limited Editions” will be built per Roadster. The collaboration with the German car manufacturer Wiesmann goes into the third round, reaching its peak with the limited edition of the Sunseeker Roadster.

Further longstanding partners will also be in attendance to support the “Sunseeker Open Days” including Jewellery Rüschenbeck with an exclusive collection of beautiful gems, Seabob showing the new F5 model and Castell Miquell providing fine Mallorquin wine.

For 20 years, Sunseeker Germany has maintained an office in Port Adriano, offering outstanding sales of new and pre-owned Sunseeker motoryachts and an award-winning aftersales service, which has been honoured several times with the “Sunseeker Gold Award” in recognition of Excellent Customer Service within the worldwide Sunseeker distributor network.

In spring 2012, Sunseeker Germany announced the joint venture with Sunseeker Spain for the distribution area of Mallorca, which came under the island wide banner of “Sunseeker Mallorca”, operating from the head office in Port Adriano.
